## Portland Company joins Day of Service on Earth Day

**Portland** - WHAT: The Professional Landcare Network (PLANET) and the national lawn and landscape association, are holding a nationwide Day of Service on Earth Day, April 22, 2011. Members of "PLANET" are organizing volunteer lawn and landscape projects in communities across the country, including a \$20,000 project right in Salem, Oregon.

WHO: Dennis' 7 Dees Landscaping & Garden Centers, is participating in the PLANET Day of Service, by bringing 10 volunteers to Willamette Valley Hospice, the only 501c3 non-profit hospice organization in the Salem area. Willamette Valley Hospice focuses on meeting the needs of terminally ill patients and their families; the staff and volunteers passionately believe that everyone should be able to receive hospice care services regardless of their ability to pay. Dennis' 7 Dees intent with choosing Willamette Valley Hospice is to help change the end of life experience. Dennis' 7 Dees Landscaping has designed a complete landscape plan for a new construction project and will be installing all donated irrigation, plant material, lawn and bark mulch, which kicked off on April 11th since this is a two week project and by Earth Day will be near completion.

WHERE: Willamette Valley Hospice, 1015 3rd Street, NW Salem, OR 97034

WHEN: Volunteers will be on site on Earth Day, April 22nd by 9AM.

CONTACT: Jenean Salle, Public Relations Bradshaw Advertising, 503.221.5000

About Dennis' 7 Dees  
Dennis' 7 Dees has been a local family owned and operated nursery, garden center and landscape contractor in Oregon since 1956. The company also offers a complete range of residential and commercial landscaping services, including installations, patios, decks and walls, water features, lighting systems and maintenance. Dennis' 7 Dees has five garden center locations from the Oregon coast in Gearhart, Seaside to the Portland metro area. David Snodgrass has been named a Landscape Industry Certified Manager which is the certification mark awarded by the Professional Landcare Network (PLANET) and represents evidence of the industry's highest standards of landscape professionalism. Less than 1% of all landscape professionals have achieved this designation. For more information visit: [www.Dennis7Dees.com](http://www.Dennis7Dees.com).

About PLANET  
PLANET is the association of members who create and maintain the quality of life in communities across America. With nearly 3,500 member companies and affiliates, these firms and their employees represent more than 100,000 green industry professionals. Some of these professionals have taken the extra step of becoming certified through PLANET and bear the distinction of being known as Landscape Industry Certified.
